

Why January is the Most Important Month for Commercial Cleaning

Starting the Year Right for a Healthier Workplace

Post-Holiday Challenges

Increased Germs

High Foot Traffic

Weather Debris

Reduced Cleaning Schedules

Why a January Cleaning Reset Matters

Reduce Illness Spread

Improve Indoor Air Quality

Deep Clean High-Touch Areas

Protect Facility Image & Compliance

Key Areas to Focus On

Restrooms & Breakrooms

Office Workstation

Lobby & Entryways

HVAC Vents & Air Returns

Start the Year Clean & Healthy

Set the Standard for a Productive,
Safe, and Professional Year
